

Program Mind

1

Success is the progressive realization of a worthy ideal

2

Our Past is not equal to the future

3

If you are not filling your day with High Priority actions, Your day will be automatically filled with low priority Distractions

4

We will plant positive thoughts & We will achieve Positive results

5

What we are today is the sum total of our thoughts & Action which we take previously

6

You become what you think all day long

7

We see good in people, People see good in us

8

Don't do the same thing and expect different results

9

Focus is the most valuable asset than time

10

Think Big

11

Start Writing Your Goals Daily & Visualize it Daily
